## 7. Signatures (All Account Owners/Trustees Must Sign)

By signing below:

• I certify that I have received and read the current Prospectus for the Neiman Funds and understand its terms are incorporated in this application by reference. I certify that I have the authority and legal capacity to make this purchase and that I am of legal age in my state of residence. I understand that the Neiman Funds are not backed or guaranteed by any bank, or insured by the FDIC.

• I authorize the Neiman Funds and its agents to act upon instructions (by phone, in writing or other means) believed to be genuine and in accordance with procedures described in the Prospectus for this account or any account into which exchanges are made. I agree that neither the Neiman Funds nor the transfer agent will be liable for any loss, cost or expense for acting on such instructions. Such entities will employ reasonable procedures to confirm that instructions communicated by phone are genuine, and may be liable for losses due to unauthorized or fraudulent instructions only if such procedures are not followed.

By completing Section 6 and signing below:

I authorize debits from the bank account referenced in conjunction with the account options selected. I agree that the Neiman Funds shall be fully protected in honoring any such transaction. I also agree that the Neiman Funds may make additional attempts to debit my account if the initial attempt fails and I will be liable for any associated costs. ## COST BASIS ELECTION FORM

### Mandatory Cost Basis Reporting Requirement

On October 12, 2010, the Internal Revenue Service (IRS) released the final mandatory cost basis regulations. These regulations were enacted as a result of the Economic Stabilization Act of 2008. As part of the new regulations, brokers and mutual fund companies are now required to provide cost basis reporting to the IRS.

Below is a list of cost basis methods available to you. Please select your preferred reporting method, sign and return with your account application. You may select only **ONE** option. If you do not return this form, the default method of AVERAGE COST will be assigned to your account.

**IF YOU WOULD LIKE TO ELECT AVERAGE COST AS YOUR COST BASIS METHOD, THERE IS NO NEED TO RETURN THIS FORM WITH YOUR APPLICATION.**

**Please see reverse side of this form for cost basis method explanations**

## **COST BASIS METHODS**

**Average Cost (ACST)** – A method for valuating the cost of covered shares in an account by averaging the effect of all covered transactions in the account. The gain/loss is calculated by taking the cumulative dollar cost of the covered shares owned and dividing it by the number of covered shares in the account. Non-covered securities are calculated separately from covered securities and are not reported to the Internal Revenue Service.

**First In First Out (FIFO)** – A standing order to sell the oldest shares in the account first.

**Last In First Out (LIFO)** – A standing order to sell the newest shares in an account first.

**High Cost First Out (HIFO)** – A standing order to sell shares purchased at the highest cost first.

**Low Cost First Out (LOFO)** – A standing order to sell shares purchased at the lowest cost first.

**Loss/Gain Utilization (LGUT)** – A method that evaluates losses and gains then strategically selects lots based on that gain/loss in conjunction with a holding period.

**Specific Lot Identification (SLID)** – The shareholder needs to designate which specific shares to redeem when placing their redemption request. Please note that Average Cost cannot be used as a secondary accounting method. The secondary accounting method will only be activated if the lots chosen are no longer available.
